George M. Tuttle, administrator of the estate of Milton Sutliff, the plaintiff in an action to collect \$1,500 alleged to be due on a note given Agnes and Andrew R. Cassidy, has filed an affidavit for attachment.

He alleges that the debt was fraudulently contracted by the defendants and that they have disposed of their property for the purpose of cheating and defrauding their creditors. He says he has reason to believe that Grace E. Cannon has property in her possession belonging to the defendants. This he wants held to satisfy his claim.

An Agreement Reached.

Exceptions Filed.

Mrs. Lois Mott of Peninsula, through her attorney, W. B. Doyle, filed exceptions to the partial account of H. C. Sanford, guardian of her mother, Mary Lee, an imbecile in the County Infirmary, in Probate court, Friday afternoon. The case is peculiar. The allegations are that Sanford on February 22, 1899, paid to Geo. W. Lee, a son of Mrs. Lee, \$800, as an heir to her estate. Mrs. Lee is still living.

AKRON OFFICE

Furnished More than Its Share of Recruits.

In Four Months 350 Applications Were Received—Turner Transferred.

The local U. S. recruiting office, which was closed Friday, was the best of the sub-offices under the control of the general recruiting station at Cleveland, which had branch offices at Youngstown, Mansfield, Canton, Sandusky and Akron. These branch offices were under the general supervision of Capt. John Tillson, of the Cleveland office, and occupied so much of his time and attention that he found it necessary to close one of the offices that his labors might be lightened.

The Akron office was established by Capt. Tillson March 10, and Private McDonald, who recruited at Cleveland, was placed in charge. He remained but a few days and was transferred to the charge of the office at Mansfield. He was succeeded by Private Arthur L. Beebe, who also recruited at Cleveland. Private Beebe remained in charge of the local office about six weeks. During that time Ray Turner of Doylestown enlisted and was assigned to office work under Beebe.

When in the early part of April, Beebe was ordered to Augusta, Ga. Mr. Turner was given full charge of the office, remaining in charge until it was closed Friday. Pursuant to orders from Capt. Tillson he went to Cleveland Friday evening. He will enjoy a rest of a couple of weeks at that place, after which he will likely be assigned to the charge of some other branch office. Mr. Turner was an efficient officer. His work was of a very satisfactory character, and won him much praise from Capt. Tillson.

During the four months, or almost four months, that the local office was in existence, it is conservatively estimated that about 350 applications were made for enlistment. Of this number a few more than 200 passed examination successfully; and while some are now doing service in the Philippines, others have been assigned to posts in various parts of the United States.

An item of importance concerning the men recruited at the local office is that their quality, physically and intellectually, has been a matter of considerable complimentary comment at the headquarters at Cleveland and the stations to which the recruits have been sent.

FUNDS

For Science Hall

Will be Raised by Alumni Association.

Definitely Decided to Erect the Building.

Special Meeting Was Held Friday Evening.

Plans For New Structure Were Considered.

The resident Alumni association of Buchtel college held a meeting at the college Friday evening and thoroughly discussed the matter of undertaking the building of Science hall.

Plans were also discussed whereby the college endowment might be increased. The meeting was well attended. Those members from out of the city were: Miss Elmie Warner of Chardon; Herbert B. Briggs of Cleveland, and James E. Cole of Norwalk.

It will be necessary to raise \$50,000 more than the amount already subscribed to erect the building. About \$20,000 has already been subscribed. The trustees of the college will be asked to act in conjunction with the alumni in securing the necessary funds.

The present productive endowment fund of Buchtel college is \$225,000. The alumni wants this fund greatly increased and will go to work vigorously to accomplish that end.

The alumni decided definitely to build the hall. It was decided to appoint an executive committee of five persons to confer with the trustees of the college and decide on the plan of procedure to raise the money. The committee has not yet been appointed. It will be appointed within a few days by the president of the alumni association H. L. Snyder, of 111 Aqueduct st.

The outlook for the building of Science hall, and also for the increasing of the college endowment fund is very good. It is hoped that by next year the alumni will have secured sufficient funds to warrant the commencing of work on the building.

RARE SPORT

At Friday's Matinee.

Eye Lash Finish In the Fast Pace.

Davy Crockett Won in a Hard Drive.

Jimmy Gardner Gets Notice of His Release.

Has Two Offers In Sight—Sporting News.

Fifteen hundred people enjoyed an afternoon of rare sport at Fountain Park Friday afternoon.

The races were marked by eye lash finishes and fast time. There were several surprises, new talent stepping in and winning from the favorites.

The event of the day was the second race, the fast pace, in which there were four starters. Maggie A was picked to win. She had defeated the field one week ago without much trouble. In the first heat, Davy Crockett stepped out and won. Garnetta M finishing second. In the second heat Maggie A caught Garnetta M at the wire, pushing her nose under a winner by a few inches.

It was a splendid race, the two mares going neck and neck the entire mile. Davy Crockett had been laid up for the last heat. At the word he made a few skips and was six lengths behind at the half. When the three quarter pole was reached, Garnetta M and Maggie A were struggling for first place. Mr. McCue began driving at this point. Crockett had the speed and responded. He came down the stretch at a terrific speed, passing the leaders, winning by a head.

Three of the other races were split heat events. In the last race, Laura Bachus had things her own way. The summary:

Gardner Released.

Jimmy Gardner Friday received 10 days notice of his release from the Pittsburgh club management. He has two offers, but has not decided which to accept. Gardner's work has not been up to the standard this year. He has fared badly at the hands of the league's heavy hitters.

In the game with Brooklyn Friday he was hit five times in the second inning. This resulted in six runs. He was then taken out.

In New Berlin.

The Akron base ball team left for New Berlin Saturday to cross bats with the players of that village.

Prominent Horseman.

Mr. Ed. Sweeney of Kokomo, Ind., one of the best known starting jockeys in the country and the owner of several fast young ones, was an interested witness of the events at Friday's matinee. He will be in Barbeton business for some time to come and may buy a steppar to start in the local matinees.

Mr. Durand a Candidate.

Deputy City Clerk W. A. Durand authorizes the DEMOCRAT to announce that he will be a candidate for the Democratic nomination for County Clerk.

RECITAL

Given by Pupils of Mrs. E. M. Heaton.

Large and Cultured Audience Enjoyed the Splendid Program.

One of the most prominent musical events of the season was the song recital by the pupils of Mrs. E. M. Heaton's class, assisted by Misses Bessie James, Lilly Morley and Sadie Jones and Messrs. L. Hallinan, E. F. Schneider and Joseph Williams, conducted by Mrs. Heaton at the First Baptist church Friday evening from 8 to 9:30. The audience was one of the largest ever assembled at that church, it being conservatively estimated that 1,500 persons were present. Distinctive in caste, the audience was composed of Akron's wealth, talent and fashion. The recital was a select affair, for which over 1,000 invitations were issued, besides special invitations. Competent and versatile, the audience was prompt in its conception of the richness of the program, according generous applause to the various numbers, and many beautiful bouquets were sent up to Mrs. Heaton and the performers.

Proper criticism of the program would involve complimentary comment on the execution of each number, for while contributing to the symphony of the whole, each possessed an individuality for harmony of sound and grace in rendition. There was nothing about the program to indicate that any number had been placed there merely for a pedantic display of classical culture, for throughout the entire performance the gamut of sounds was run gracefully, producing melodies in their most pleasing variations. Whether it was the gay song with its irresistible animation and overflow of joyous fancy, the song of triumph with its heraldry of power, or the low, plaintive melodies, with their kindred inspirations of love and sorrow, the effect produced upon the audience was always gratifying to the performers.

Mrs. Heaton was piano accompanist to the singers. Her playing is superb, and her accompaniment is sympathetic and accurate. About her playing is that skill and grace that is so direct a criterion to the art of the master. Possessing a voice rich in strength, volume and harmony, with a natural gift for song, to which has been added a thorough and classical training, Mrs. Heaton is one of Akron's sweetest singers. Singing the beautiful song, "My Redeemer and My Lord," she sang her way into the hearts of the audience Friday evening, and appreciation was shown her efforts by vigorous and prolonged applause.

The rostrum of the church was almost a wilderness of palms, while here and there the effect was given an enhanced beauty by potted plants and cut flowers. Mellowed by the light, the scenic effect was grand.

SAENGERFEST

Opens at Last—Akron Delegates In a Panic.

Cincinnati, July 1.—[Special]—The first concert of the Golden Jubilee Saengerfest opened promptly at 8:30 last evening. The immense work of finishing the grand hall was completed shortly before 7 o'clock. The people began to arrive early in street cars, carriages and a foot. Thousands and thousands of people crowded the streets leading to the largest Saengerfest hall ever erected. The overture had hardly begun when a board fell down stairs and nearly caused a panic.

In an instant the people began to rush for the doors, and had it not been for quick, conservative action on the part of the committee, a terrible panic would have been the result. The program was well conducted and was received with great enthusiasm.

The prevailing opinion is that the hall is too large and singing is only a success when the chorus is as strong as at this occasion. The piano could not be heard in the auditorium.

By request the "Jung Mannerchor" of Philadelphia favored the audience with a selection which met with great favor.

The Cincinnati mixed choir was 1,800 strong on the stage and rendered excellent music. The applause was terrific. Over 10,000 people were in attendance.

Today the grand concert and matinee was given.

Evangelical Alliance.

"God's Last Message," will be the subject of Rev. J. Cronenberger at the Christian Alliance people's meeting, Abbey block, at 2 o'clock. Good singing a special feature of these meetings. All are invited to spend an hour with us. Prayer and praise
